

“ICSFS is the first Oracle ISV partner worldwide to perform this kind of testing on Oracle 18c database and achieve best benchmarking results to-date”

Managing Director of ICSFS
Mr. Robert Hazboun

“This high-watermark benchmark is a testament to ICS BANKS® application’s capabilities, where no other banking software solution has produced such outstanding results”

Executive Director of ICSFS
Mr. Wael Malkawi

Record Breaking & Unmatched Results of ICS BANKS® Application; High-watermark Benchmarking on Oracle Exadata Database Machine

Performed in August 2018, at Oracle’s UK Labs, ICSFS **benchmarked** its ICS BANKS® software suite on Oracle Exadata Database environment. The benchmark covers both Oracle Database Enterprise Edition 12c and 18c.
