BANKS® in the Ranks

- ICSFS was ranked **Second in Islamic Banking Sales Worldwide** in the IBSi Islamic Sales League Table 2023
- Ranked **Fourth in Universal Banking Sales Worldwide** in the IBSi Sales League Table 2023 - Universal Banking / Core.

Why Bank on BANKS®

ICS BANKS® users can gain valuable insight into both conventional and Islamic financing with enhanced clarity through the integration of Business Intelligence (BI) and Management Information System (MIS).

These capabilities are further strengthened by the robust features of its digital platform that is powered by Business Process Management (BPM), Document Management System (DMS), and complemented by an advanced Rule-Based and risk assessment scoring engine that is seamlessly embedded in the system's DNA.

What our clients have been saying

Mr. Khalid Gabr, CEO, Hadhramout Commercial Bank

"We believe that our partnership with ICSFS is the absolute right move for us, as their ICS BANKS® banking solution has demonstrated immense value to our operation and has given us the power to go to market with a competitive edge. We look forward to expanding our operation in the Yemeni and Regional Market, and we are relying on the continuous support of ICSFS to realize all our goals."

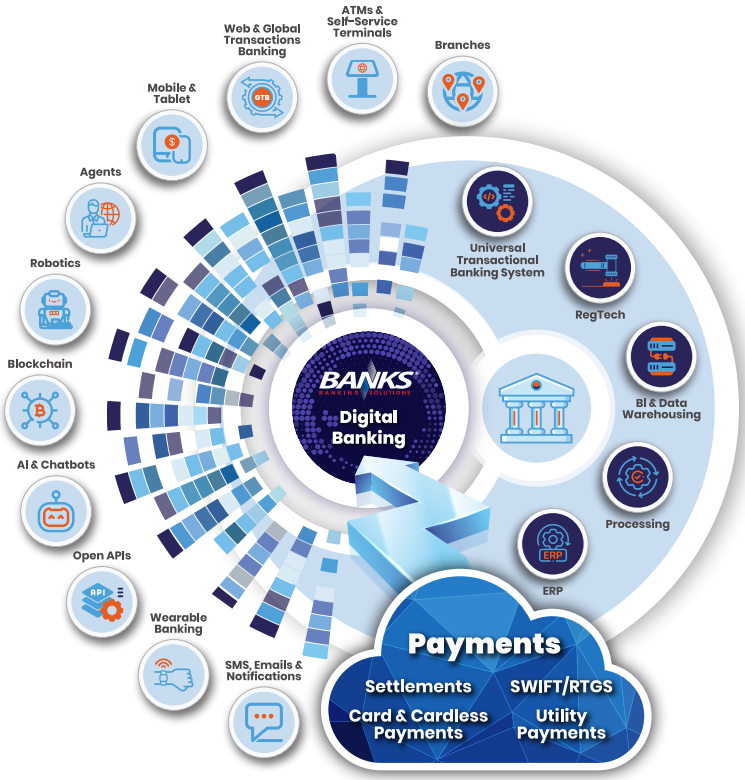

Mr. Abdullah Al-Busairi, GM, Al Busairi Microfinance Bank

"Having worked with ICSFS's team during implementation, I've grown more confident in my choice of their Innovative Banking Platforms, they demonstrated true knowledge and professionalism, and offered valuable insights along the way which enriched our staff's experience and command over their respective positions within the bank. The unified Financing solution delivered by ICS BANKS® has proven to have significant advantages with its easy-to-integrate modules and innovative features, which will be extremely helpful to our inauguration into the Yemeni market and quickly placing us amongst the market leaders."

Take the wheel & drive your Digital Transformation

What our clients have been saying

Mr. Khalid Waqqad, CEO, Alinma Bank for Islamic Microfinance

"We set out on a journey to promote a strong investment climate especially in the private sector, as well as providing support to the establishment of economic projects in Yemen. Our decision to opt for the ICS BANKS® Banking Platform comes in the spirit of our aspirations towards full digital transformation, financial inclusion, and offering innovative financial products and services to all segments of the Yemeni community."

Mr. Alaa Faek, Head of Credit Facilities, Ashur Bank

"When we connected with ICSFS and discussed our requirements we quickly came to realize that we are on the right path; we were pleased to find that they already have a fully integratable IFRS9 solution that surpassed our expectations and requirements. We extend our warmest thanks to ICSFS and its team for their amazing cooperation during all stages of implementations and we are grateful for the support we receive from them whenever we need it."
